

HEI SERIES

HEIPTZ-2201W-IR

HEIPTZ-2221W-IR

2MP 30x Zoom Explosion-Proof IP IR PTZ Camera

Honeywell's latest explosion-protected and flameproof PTZ network camera is a good fit for onshore, offshore, marine, and heavy industrial installations in hazardous and challenging environments. The camera features a 316L stainless steel housing certified for hazardous areas according to IECEx. The housing prevents any interior sparks or explosions from escaping and igniting the gases or dust in the surrounding air. The HEIPTZ-2201W-IR and HEIPTZ-2221W-IR camera provide extremely crisp video with up to 2 million effective pixels, 30x optical zoom, and True Day/Night WDR for continuous surveillance in both hazardous and safe area applications. This product complies with the Essential Health and Safety Requirements relating to the design and construction of products intended for use in potentially explosive atmospheres.

Explosion-Proof Certification

- IECEx certified with AISI 316L stainless steel construction
- Certified for use in Gas Zone 1 & 2 (Class IIA, IIB, IIC) and Dust Zone 21 & 22 (Class IIIA, IIIB, IIIC)
- Certified temperature for explosion-proof applications: -40°C to 60°C (-40°F to 140°F)
- M25×1.5 threaded hole for use of cable glands or conduit
- IP68 rating guarantees complete protection against harsh weather
- This product is Flameproof, Optical Radiation and Dust Ignition protection by enclosure.

Flexible Surveillance Solution

- 2MP 60fps, 30x optical zoom and P-Iris lens providing maximum flexibility to clearly view the target
- H.265, H.264 and MJPEG codec, triple stream support
- Support for unicast and multicast mode for streaming
- ONVIF Profile S, G and T compliant
- Supports Loitering, Intrusion, Tampering, SMD, Motion Detection analytics
- Contain no content or material from any companies or their subsidiaries prohibited under US National Defense Authorization Act (NDAA) Section 889 and can be used as part of video systems which comply with NDAA Section 889

FEATURES AND BENEFITS

- | | | | | |
|---|---|---|---|--|
| <ul style="list-style-type: none">• 2MP high resolution camera to capture more details• 1/2.8" progressive scan image sensor• Excellent low light performance with min. illumination of 0.005 lux Color | <ul style="list-style-type: none">• 4.5 – 135 mm, F1.6–F4.3, P-Iris, 30x optical zoom lens• Up to triple stream support• Support for Electronic image stabilizer (EIS)• True WDR: 130 dB | <ul style="list-style-type: none">• Multiple, selectable compression formats (H.265 HEVC/H.264/MJPEG)• Loitering, Intrusion, Tampering, SMD, Motion Detection• Tempered glass with sun shroud | <ul style="list-style-type: none">• Global language support with web GUI in 14 languages• NDAA compliant• 100~240V AC power input• Cyber Security features include signed certificates and data encryption | <ul style="list-style-type: none">• Optional stream encryption – camera to Maxpro under AES256 providing secure data integrity and privacy• ONVIF Profile S, G and T compliant• Water resistant IP66, IP67, IP68 ingress protection rating |

Easy to Install and Use

- 100~240V AC power input
- Built-in heater
- Integrated wiper and washer control system operated from web client or preset
- 10 meters cable with options unarmoured RJ45 interface and armoured RJ45 and FC Fiber Optic interface.
- Remote configuration, motorized zoom adjustments and auto focus through web client

MARKET OPPORTUNITIES

The camera features stainless steel housing and offers 2MP high resolution image quality. They are ideally suited for video surveillance monitoring of onshore, offshore, marine, and heavy industrial environments, such as the oil and gas industries, as well as dusty environments, such as the paper and textile industries.
